Additional information

Please state your reasons for intervening in this proceeding:

Corix owns and operates regulated and non-regulated energy utilities across North America. Within British Columbia, Corix's utilities are subject to safety regulation from a number of entities, some of which are mentioned in G-241-20 (Exhibit A-1). The outcome of this inquiry could have important implications for Corix's operations. Corix may wish to file evidence, ask questions and make submissions throughout the process.

Please state how you are directly or sufficiently affected by the Commission's decision in this matter; or describe your experience, information, or expertise relevant to this matter that would contribute to the Commission's decision making:

As Corix owns and operates regulated and non-regulated energy utilities in British Columbia, the outcome of this inquiry could have a direct impact to the safety regulation of Corix's energy utility operations. Corix has significant experience and expertise in the development, construction and operation of energy utilities across North America.

Please list the key issues you intend to address in the proceeding:

The primary issue to be addressed is the provision of clarity on the BCUC's jurisdiction regarding safety pursuant to the Utilities Commission Act. Any other key issues to be addressed depends on topics that are raised after the start of the inquiry.
