Additional information

Please state your reasons for intervening in this proceeding:

Kyuquot Power Ltd. ("KPL") owns and operates a small electric distribution utility on Vancouver Island and desires to have the day to day regulatory oversight of this system clarified.

Please state how you are directly or sufficiently affected by the Commission's decision in this matter; or describe your experience, information, or expertise relevant to this matter that would contribute to the Commission's decision making:

KPL is regulated by the Commission and any decision regarding safety regulation will have a direct impact on it. KPL's experience with respect to safety regulation would contribute to the Commission's decision making.

Please list the key issues you intend to address in the proceeding:

Safety regulation of small distribution utilities by the Commission and Technical Safety BC

For administrative purposes only

Do you intend to participate fully, including attendance at hearings and submission of evidence or information requests, if applicable?: Yes

Do you intend to request PACA funding? This does not impact your ability to participate: No

Have you or your organization web-registered as an intervener or interested party in the past 12 months?: Yes

If yes, please provide your username [REDACTED]
