Additional information

Please state your reasons for intervening in this proceeding:

NMRG and BCCSC members operate their own generation equipment connected to the BC Hydro system and are therefore directly and materially affected by safety issues as they apply both to themselves and to BC Hydro's operation of its system.

Please state how you are directly or sufficiently affected by the Commission's decision in this matter; or describe your experience, information, or expertise relevant to this matter that would contribute to the Commission's decision making:

NMRG and BCCSC were active Interveners in the recent BC Hydro Net Metering proceeding and members of the two groups have knowledge and experience in operating electrical equipment directly connected connected to the BC Hydro system.

Please list the key issues you intend to address in the proceeding:

NMRG and BCCSC intend to address any safety issues that pertain to or could have an impact on their own electrical operations and equipment or their needs as customers of and electricity generators to BC Hydro.

For administrative purposes only

Do you intend to participate fully, including attendance at hearings and submission of evidence or information requests, if applicable?: Yes

Do you intend to request PACA funding? This does not impact your ability to participate: Yes

Have you or your organization web-registered as an intervener or interested party in the past 12 months?: Yes

If yes, please provide your username: [REDACTED]
