Additional information
Please state your reasons for intervening in this proceeding:
VEVA members comprise electric vehicle owners, operators and enthusiasts in Vancouver. VEVA is the largest owner/operator organization of its type in British Columbia. Given their need access EV charging facilities both at home, third party private locations and public spaces they are directly and materially affected by safety issues related to BC Hydro's or other electrical utilities' operation of electrical equipment and system components.

Please state how you are directly or sufficiently affected by the Commission's decision in this matter; or describe your experience, information, or expertise relevant to this matter that would contribute to the Commission's decision making:
VEVA actively intervened in the BCUC Regulation of Electric Vehicle Charging Service Inquiry. VEVA members have knowledge, information, experience and expertise related to the particular needs, demands and practices related to the use of EV charging stations and related equipment and electricity system components. Given their regular and frequent use of EV charging stations any related safety issues are of great interest to them.

Please list the key issues you intend to address in the proceeding:
VEVA intends to address any safety issues that pertain to or could have an impact on BC Hydro's or other electric utilities' operations and equipment or their needs as electricity customers.
