**Comment:**

Thank you for taking the time to read my letter. It is important to me and my family that this project proceed, as it will allow multi-generation family gatherings to occur with ease. Power will mean that the needs of my parents will be met easily and with everyone being comfortable, quality time between us while at the cabin. My parents have invested so much time, money, and energy into this property that I really want them to be able to enjoy it to the fullest in their retirement years. Thank you, Elaine Vaughan
