**Re: Corix Multi-Utility Services Inc. – Burnaby Mountain District Energy Utility 2020-2023 Revenue Requirement and Rates Application – Project No. 1599123 – Extension Request**

Dear Mr. South:

On December 22, 2020, British Columbia Utilities Commission (BCUC) staff was advised by Corix Multi-Utility Services Inc.'s (Corix) that it is impacted by an ongoing power outage caused by weather conditions. Corix is unable to complete and submit its responses to BCUC and intervener information requests No. 1 by Wednesday, December 23, 2020 in accordance with the regulatory timetable established by Order G-331-20. In light of the holiday period, Corix requests for an extension to the deadline to respond to BCUC and intervener information requests No. 1 to Thursday, January 7, 2021, with no proposed change to the remainder of the regulatory timetable. Due to the ongoing power outage, Corix is unable to submit its extension request in writing by December 23, 2020.

The BCUC acknowledges receipt of Corix's extension request and will issue an order to address the request in due course.

Sincerely,
