Additional information

Please state your reasons for intervening in this proceeding:

The CEABC represents members that are actively engaged in the development, including the ongoing operation, of electrical generating projects and related facilities the output of which is sold to BC Hydro. The CEABC is interested in the ongoing operation and management of BC Hydro and how it may impact current and future purchases of electricity from CEABC members and such other matters as may arise.

Please state how you are directly or sufficiently affected by the Commission's decision in this matter; or describe your experience, information, or expertise relevant to this matter that would contribute to the Commission's decision making:

As indicated under the heading "Additional Information" CEABC members are directly affected by BC Hydro corporate decisions. In addition the CEABC has been participating and contributing to BCUC processes for close to 30 years.

Please list the key issues you intend to address in the proceeding:

The list of key issues will vary on the complete examination of the RRA but may include BC Hydro's efforts to expand electricity sales, capital investments in the test period and BC Hydro's adherence to CleanBC.

For administrative purposes only

Do you intend to participate fully, including attendance at hearings and submission of evidence or information requests, if applicable?: Yes

Do you intend to request PACA funding? This does not impact your ability to participate: Yes

Have you or your organization web-registered as an intervener or interested party in the past 12 months?: Yes
