Hello,

Further to the BCUC's correspondence dated July 13, 2021 (A-10), we write to confirm Imperial Oil's attendance at the workshops scheduled for August 5 and August 12, 2021 in the above captioned matter.

Tamara McGillivray (Imperial -- Fuels & Lubricants Lead, Revenue Management, Western Canada) and myself (title and contact information below) will attend on behalf of Imperial.

We plan to attend in person for the August 5, 2021 workshop.

We are happy to attend the August 12, 2021 workshop as well, if that would be helpful. We ask, however, for the flexibility to attend in person or remotely for the August 12, 2021 session given the evolving situation with COVID-19 and the fact that several other parties have elected to attend remotely, as per the BCUC letter dated July 27, 2011 (A-11). If acceptable, we will advise of our attendance status (in person / remotely) in advance of the Aug 12 session. Please advise if this creates issues for the BCUC.

Finally, we are in receipt of the BCUC's correspondence of earlier today (A-12). We will endeavor to consider and be prepared to respond to the questions posed; however, we may be challenged to respond to all the questions raised given the long weekend, vacation schedules, travel to Vancouver and other timing complications associated with the fact the specific requests were only made today.

Please let us know if you have any questions. Thank you.

Scott
