Re: British Columbia Utilities Commission – Framework for the Determination of Confidentiality and Treatment of Protected Information collected pursuant to the *Fuel Price Transparency Act* – Project No. 1599130 – Workshop Attendance

On July 13, 2021, the British Columbia Utilities Commission (BCUC) provided information to the parties in this proceeding regarding two workshops to be held on August 5, 2021 and August 12, 2021.

The BCUC received requests from Tidewater Midstream and Infrastructure Ltd. and Parkland Corporation requesting permission to make their opening statements at the August 5, 2021 and August 12, 2021 workshops, respectively, to accommodate the availability of their representatives. The Panel reviewed the requests and reasons provided and grants the requests.

Sincerely,
