Patrick Wruck
Commission Secretary and Manager, Regulatory Services
British Columbia Utilities Commission

Hello Patrick

We are writing to request that the BCUC require BC Hydro to make publicly available the following information, which is relevant and necessary to making fulsome submissions on matters falling within the BCUC's Terms of Reference in this review:

- 1) BC Hydro's long term forecast of U.S. capacity and energy prices by year
- 2) BC Hydro's updated long term forecast of LNG demand in British Columbia
- 3) BC Hydro's updated forecast of solar and wind energy costs in British Columbia

We request this information be made available in advance of the August 30 submission deadline.

Sincerely
Ken Boon
