BCUC INQUIRY RESPECTING SITE C

F 238-1

Date: October 05, 2017

Subject: Submission on Site C Dam

Dear British Columbia Utilities Commission,

I have to say the economics of the dam going forward is a net loss- not only financially but in true cost presently and in the future. How can you pay for lost land, habitat, First Nation heritage, wildlife, agriculture, quality of life? STOP THE MADNESS. Answer to your grandchildren and theirs why you thought the dam was necessary.

**Sincerely,
Sherri Mackay**
