Subject: The mystery bowl - Victoria Conference Centre - October 11, 2017

To: The panel members at the enquiry tonight.

I was attending this public event together with my friend Verna Stone, of Victoria. She made this bowl specifically to show her sentiments about the Site C project and they are etched on the inside of the bowl - a reminder of her appreciation of holding this enquiry and giving the public an opportunity to speak openly about this mega project. We are both opposed to this project and we hope above all that it will be cancelled and that we can reconcile with our First Nations brothers and sisters - justice at last.

Thank you all for taking the time to hear our voices.

Best regards,
Jane Colgan.
